

Demolition of a Structure

Application Checklist & Submission Package

This document and all attachments are provided as assistance to persons seeking certain approvals and permits as required by various by-laws of the City of Saint John and other acts and regulations. Should there be a discrepancy between this document, and all attachments, and the associated by-law, act or regulations, the associated by-law, act or regulation shall prevail.

Demolition Permit Application

Checklist required for a complete application for:

➤ Demolition of a Structure

HERITAGE: If building is in a “Heritage Conservation Area” please contact the Heritage Officer for requirements, analysis and approval prior to applying for a building permit.

FLOOD RISK AREA: If the building is located within the Flood Risk Area, any alteration to the footprint of the building may require analysis and purchase of compensatory storage. Please contact us for Flood Risk Area Development approval prior to applying for a building permit.

- Completed **Application Form** signed
- Permit Fee** and **Refundable Deposit**
- General Liability Insurance must be submitted if the estimate is over \$1,000 naming the City of Saint John as an “additional insured”
 - Estimate over \$1,000 to \$50,000\$1,000,000 liability
 - Estimate over \$50,000\$20,000 per \$1,000 of estimate to maximum of \$5,000,000 liability
- Pre demolition photos will be taken by an Inspector to capture the condition of the street right of way bordering the property. If there is any damage to the street right of way / sidewalk as a result of the demolition there will be a deduction from the deposit.
- Abandonment of the water and sewer services must not be backfilled until the Infrastructure Development Inspector has confirmed it is completed to their satisfaction. Please call 658-2911 a minimum of one (1) business day prior to the work being done to arrange this inspection.
- Any water meters owned by The City of Saint John must be returned to Saint John Water upon completion of the demolition.

- If property is in the “Intensification Area” then the property must be hydro-seeded (any permit issued after August, the applicant / owner can delay hydro-seeding until the spring).
