152 Watson Street
Local Historic Place Designation

- The Peters House, built c. 1843
- Unique local interpretation of the Carpenter Gothic architectural style
- Per local histories, location of first surgery with anesthesia in Canada, performed in 1847 by Dr. Martin Hunter Peters

Recommendation:

RESOLVED, that the building located at 152 Watson Street, PID No. 00362350, and known as the Peters House, is designated as a Local Historic Place for its architectural and historic contributions to the City of Saint John.

Congratulations to all!
