## APPENDIX D – RFP PARTICULARS

### (A) The Deliverables

#### (1) SCOPE

The City of Saint John ( Saint John Transit (SJ TRANSIT)) is requesting Proposals from outside organizations to provide between one (1) and fifteen (15) small buses of less than 30 feet in length for lease for a period of six (6) to eighteen (18) months.

Only the minimum and maximum quantities shown above shall be considered the minimum and maximum quantities under any contract. SJ Transit shall not be required or expected to lease the quantities shown in any given fiscal year, nor should they be prevented from exceeding the maximum quantity shown in any given year.

The above contract minimum and maximum figures are based on the assumption of a split award scenario where each vehicle type is awarded to a different vendor.

#### (2) SPECIFICATIONS

##### GENERAL DESCRIPTION

The vehicle shall be a “cutaway type” bus of not more than 5 years of age, using a cutaway chassis and be designed and constructed to ensure a minimum service life (7 years/300,000 KM for Cutaway Buses) in daily or revenue service. All vehicles shall be capable of operating at least 45,000 KM annually, including the last year of service.

The bus, at Gross Vehicle Weight Rating (GVWR) and under static conditions, shall not exhibit deformation or deflection that impairs operation of doors, windows or other mechanical elements. Static conditions include the vehicle at rest with any wheel or dual set of wheels in a six-inch deep hole or with any one tire or any dual set completely deflated.

All failures involving basic body, structure, axles and suspension are considered structurally related failures for purposes of this specification.

The bus shall be new or used of not more than 5 years old. The unit shall be delivered fully operational and ready for field use with all necessary maintenance equipment and accessories.

The bus shall, in all respects, be equipped to operate legally within the Province of New Brunswick, night and day, and shall, in all respects, conform to Provincial and Federal regulations pertaining to the equipment herein described. Please state whether the vehicle requires a valid inspection sticker, NB or otherwise.

**(3) DURATION**

The resulting lease agreement(s) will be for a period of six (6) to eighteen (18) months.

**(4) PAYMENT**

Payment shall be based on Net 45 Days from date of invoice or receipt of goods, whichever is later. Invoices can **either** be mailed to: City of Saint John, Accounts Payable Department, P.O. Box 1971, Saint John, NB, E2L 4L1, **or** by email to the Accounts Payable department ([accountspayable@saintjohn.ca](mailto:accountspayable@saintjohn.ca)). Vendors are to ensure invoices are not sent both ways.

**(5) FREIGHT AND DELIVERY**

SJ Transit is requesting a June 15th delivery date for a July 1st start date in operations for some vehicles. The entire 15 requested in this RFP will be phased in over 6 months and the proponent must submit the date upon which their vehicle(s) would be available.

Please quote your net price on each of the commodity(s) F.O.B. delivered to Saint John, New Brunswick.

The proposed prices for all materials and/or services are to include pick-up, transportation, delivery, duty, fuel surcharge and any other charges incurred in order to provide the required materials and/or services.

**(6) SPECIFICATION SHEETS AND WARRANTY**

Specification sheets along with warranty information and any limiting conditions must be submitted with the proposal.
