Please find below question and response:

Question #1

Regarding section 3.A.1, it is stated that the consultant shall review service cards and compare the service laterals and main sewer videos to the service cards and include details of this comparison in the pipe report. Can you please confirm if the City will be providing the service cards for the existing infrastructure on Sydney Street?

Answer #1

***The City will make available to the successful consultant any service cards it has for the existing infrastructure on Sydney Street. The request for this information shall be made as per the process indicated in the RFP document.***

Question #2

Additionally, the third paragraph in section 3.A.1 states that the consultant shall complete sewer service lateral launching for Sydney Street from Broad Street to Broadview Avenue. Can you please confirm that no lateral launching or inspection of sewer leads is required south of Broadview Avenue?

Answer #2

***There is no requirement for lateral launching on the section of Sydney Street from Broadview Avenue to Tin Can Beach.***
