Please find below questions and responses:

Q1. It is stated in the point 5 Project Framework that we must attend biweekly meetings with stakeholders. Considering that our company is out of the province, is it acceptable to have our representative attend the meeting virtually?

A1. *Yes, the representative can attend meetings virtually.*

Q2. In point 2 Detailed Scope of Work – Forest Hill School, it says: Design, supply and install two (2) two-bay swing sets complete with four belt seats. Install pea gravel safety surfacing. Since each bay can hold 2 seats, is it correct to understand that you only require seats for half of the available spaces?

A2. *No, the bays should be full. Eight (8) belt seats in total.*

Q3. With regards to the answer to question #2 in Addendum 1, will you accept Design Documents with stamped engineered, drawings, site layout and shop drawings from the playground equipment manufacturer?
