PAGE 1 of 2 (Including Confirmation Sheet)	

Make the following modifications to the above project. Include in the amount of the Tender, any additions to or deductions from the cost of the work by reason of these instructions.

Sign and attach this Addendum to the Tender documents and submit with your Tender. Failure to do so may result in the rejection of your Tender.

Please find below questions and answers.

Q1. Will moving of contents be the responsibility of others and not part of the specification within the tender documents.

A1. Correct. This is not part of the tender specifications and will be completed by others.

Q2. Will work be completed during working hours and will the area be vacant during construction.

A2. The work shall be completed during regular open hours to facilitate a timely and efficient flooring replacement.

Q3. Concealed substrate conditions - the tender says to remove floorings, sealers, paint, misc items as part of demo/prep. Is there an area uncovered that could be viewed and determine what's concealed under the existing floor covering?

A3. The exposed area on the main floor of the library is an example of the substrate where polished concrete was provided following the removal of existing flooring and associated glue prior to finishing.
