

Community groups representing the Saint John priority neighbourhoods, along with the **Saint John Police Force**, invite you to make this holiday season a little more joyous with the...

HOLIDAY IN A BOX CAMPAIGN

Assisting those who are most vulnerable.

Adults in the city who are less fortunate can often feel disconnected and alone, even during the holiday season.

The **Holiday in a Box Campaign** provides a way to connect in a special and meaningful way, with the collection and distribution of gift-filled shoeboxes.

This initiative will challenge every family, sports team, club, shop, individual and corporation to find a new or slightly used shoebox and fill it with holiday items.

The **Saint John Police Force** has challenged all its members and the **Saint John Board of Police Commissioners** to donate at least one Holiday in a Box.

To be part of this very important initiative, drop off your thoughtfully created undecorated shoeboxes to the **Saint John Police Force** (details below).

Community groups representing the priority neighbourhoods will ensure shoeboxes are delivered and shared.

Suggested items: toothpaste, toothbrush, deodorant, soap, comb/hairbrush, washcloth, socks, gloves, flip-flops, hat, hot chocolate, wrapped candy and/or non-perishable treat, bus card, notebook, pen, pencil, small adhesive tape, small tool kit, deck of playing cards, gift card to a local coffee shop or “dollar” store, etc.
