Make the following modifications to the above project. Include in the amount of the Tender, any additions to or deductions from the cost of the work by reason of these instructions.

Sign and attach this Addendum to the Tender documents and submit with your Tender. Failure to do so may result in the rejection of your Tender.

Please find below additional information from Rimkus pertaining to the above-mentioned tender.

In addendum #1, issued on November 21st, Q/A number 3, 5 & 9 all referenced additional information to be provided on November 22, 2023. Unfortunately, we have been awaiting some structural engineering guidance on support details for the fire shutters and have not received it yet. Please allow \$10,000 for reinforcing the walls in your tender submission. This is an estimate provided by Rimkus. Support details for the fire shutters will be shared with the successful bidder following tender award.
