Please find below clarification questions from addendum #1.

Q1. Referring to Question #1 and #2, on Rimkus addendum letterhead page 1 of 2, is regarding the welding inspector and how the cost for this was or was not to be included in the tender price. Rimkus lists four options and indicates the City of Saint John to choose what option to carry. I do not see in the addendums where the City has chosen an option.

A1. The City has chosen option #3 of the four options; "request that bidding contractors incorporate this scope of work and estimate associate fee as part of their fixed fee or lump sum bid price in the bid form."

Q2. This question is regarding removing/modifying/reinstalling the existing blinds from question #5, on the Rimkus addendum letterhead page 2 of 2, as it indicated additional direction was to follow, which did not occur.

A2. The city will remove/modify/reinstall all blinds at affected windows.
