Please find below a list of questions and answers.

Q1. Part C specifies that we are to select one of two methods for public consultation sessions. It then lists “In-person Public Consultation” followed by “Site Consultations” and then “Public Consultation During Construction”. Can you please confirm if there is supposed to be another type of public consultation listed?

A1. In Part C) on page 7 of the RFP, the sentence: “As such, one (1) of the two (2) following methods shall be used for public information sessions:” is to be replaced by “As such, the following methods shall be used for public consultation:”. The consultant shall be responsible for conducting all three methods of public consultation.

Q2. Are existing aerial utility services to be put underground as a part of the project scope?

A2. The intention is to maintain the existing overhead utility services as is.
