

## **Change of Use**

### Application Checklist & Submission Package

This document and all attachments are provided as assistance to persons seeking certain approvals and permits as required by various by-laws of the City of Saint John and other acts and regulations. Should there be a discrepancy between this document, and all attachments, and the associated by-law, act or regulations, the associated by-law, act or regulation shall prevail.

### **Development Permit Application**

Checklist required for a complete application for:

### Change of Use

This wording is used when the use of the property is being permanently altered or changed.

- ✓ bed & breakfast
- ✓ garden suite
- √ home day care
- √ home occupation
- ✓ neighbourhood day care
- √ secondary suite
- ✓ creation of additional dwelling units
- ✓ supportive housing

\*\* **NOTE**: **Zoning should be verified** prior to submitting an application to ensure proposed use / proposal is permitted within the existing zone of the property.

The above noted items are in conjunction with a building permit application submission. This wording would be part of the description of work and, depending on the scenario, will determine what information is required to be submitted.

For example, "Changing the Use" of a single family dwelling to a neighbourhood day care with interior renovations and a small ground sign on the front lawn. For this submission you would provide a **Floor Plan**, construction materials, signage details and a **Site Plan** showing location of the sign, as it relates to the property lines, and showing parking as <u>all the above listed Change of Use submissions</u> require a review of parking requirements as per the Zoning By-law

# So you would refer to **Interior Renovations Checklist** and **Signage – Ground signs**.
