

What is the Community Block Party Trailer?

The Community Block Party Trailer is a reservation-based community asset that supplies Saint John residents with everything they'll need to host the ultimate block party, all neatly contained and delivered to you in a 14-foot trailer.

Who can use the trailer?

The trailer can only be used by community groups for neighbourhood events within the city limits and is not eligible for personal use.

Is there a cost to use the trailer?

The Community Block Party Trailer is a community asset. As such, there is no cost to use the trailer. However, there may be costs associated with filling the propane tank if used during your event.

What is included in the trailer?

The trailer is equipped with everything you'll need to host a party. [Check out the list online.](#)

Where can I sign up?

Reservation requests are accepted online at www.saintjohn.ca/blockparty. Reservations are based on a first-come, first-served basis and preference is given to new applicants.

When can I start booking?

The online reservation system opens each year in May. Residents must request reservations no later than two weeks before their party date.

I want to host a party but don't have the required space, what can I do?

If you don't have access to a 8-foot by 16-foot flat surface area to accommodate the trailer you can still host a neighbourhood party in one of the beautiful municipal parks throughout the region. View the [Saint John Community Parks Map](#) and choose one in or near your neighbourhood.

How does trailer delivery work?

We will deliver the trailer to you before your event. The renter will need to be present during the delivery and you will need to pre-identify a flat location for the trailer to reside in. Once the trailer is delivered, it must remain in the exact location. Once your event has completed, you are required to clean the supplies, pack up the trailer and lock it. We'll pick it back up after your event.

What are my responsibilities as the reservation holder?

There are some responsibilities the reservation holder must ensure are taken care of before the trailer is returned. See the [full List of Requirements](#) for details.
