Responsibilities of the Owner/Permit Applicant

The property owner and/or permit applicant, being the person responsible for the new construction, addition, alteration, or change of occupancy, warrants that:

- The identified Integrated Testing Coordinator listed in this form has been retained to create and execute the fire protection and life safety systems integration testing, in accordance with Division B, Sentence 3.2.9.1(1) of the National Building Code of Canada.
- Plans and any modifications to the plans will be provided to the Integrated Testing Coordinator as per their requirements.
- Should the Integrated Testing Coordinator no longer be engaged to provide the services, you will notify the OneStop Development Shop immediately and another service provider will be appointed to fill the integrated testing coordinator role.
- Upon issuance of the Building/Development permit a notice may be placed on Land Gazette of Service New Brunswick's Land Registry, and if placed, will only be removed when all forms have been submitted and approved and an Occupancy Permit or Certificate of Successful Completion has been issued.
