Journeyman Truck & Trailer Mechanic

The Saint John Transit Commission is currently seeking a Journeyman Truck & Transport Mechanic. This position carries out the duties associated with the operations of the mechanical garage and road service calls to provide for the maintenance and administration of transit owned vehicles and equipment.

Working conditions may include night shifts, shift work and/or overtime including evenings, weekends and/or statutory holidays as required to respond to seasonal requirements and unforeseen circumstances. Work requires a high level of attention and mental sensory coordination with some physical effort and frequent exposure to heat, cold, fumes, dirt, oil, chemicals, welding, cutting and gouging equipment.

The successful candidate will be licensed Journeyman Mechanic holding a Truck & Transport Journeyman License combined with 3 years' experience at the Journeyman level. The successful candidate must have their own tools and roll box, and a minimum of a Class 5 Drivers License with Air Brake Endorsement or willing to upgrade to Air Brake Endorsement.

NOTE: a 3rd or 4th year Registered Apprentice in the Truck and Transport Service Technician Trade may be considered for this position, with wages based on the percentage as outlined in the New Brunswick Apprenticeship and Occupational Certification Act.

SALARY: Initially, the incumbent will receive 90% of full-time rate for the first 1040 hours. After 1040 hours the incumbent will move to 95% for the next 1040 hours. Once 2080 hours is reached, the 100% rate will be \$35.35 per hour. **NOTE: A new collective agreement has been ratified. This position will be subject to negotiated increases.**

If you are interested in applying this position, please submit a resume to sitransitcustomerservice@saintjohn.ca

Note the position you are applying for in the subject line.
