

SAINT JOHN

REQUIRED DOCUMENTATION FOR RESIDENTIAL PARKING PERMITS

A Residential Zone Parking Permit makes it easier for residents to find curbside parking on their own street by exempting permit holders from the two-hour parking limit that's otherwise enforced. The permit does not guarantee a parking space, but it frees up spaces so more are available for those with permits.

Permit holders are exempt from the 2-hour limit—but are still subject to all other traffic regulations such as parking meter regulations and signs prohibiting or restricting parking, stopping, or standing.

Residential permits expire on April 30th each year.

The annual cost of a residential permit is \$75.00 including HST.

Temporary Residential passes are available for \$14/week for up to 2 weeks to allow time for the applicant to provide the proper documentation for the annual Residential permit. You must present the following documentation in order to obtain a residential parking permit:

- 1. REGISTRATION (INDICATING CURRENT UPTOWN ADDRESS); and**
 - If the information on the registration cannot be changed, please also provide the insurance policy showing the corresponding vehicle information and the applicant named as an insured driver on the vehicle's policy.
- 2. PROOF OF RECENT RESIDENCY IN THE UPTOWN AREA – (ONLY ONE IS REQUIRED); and**

This documentation must be presented upon renewal each year.

 - Copy of lease or rent receipt indicating address signed within the last 2 months
 - Current utility bill for service at that address (power, telephone, cable etc.) within the last two months

SAINT JOHN

- Other current business type mail (bank or credit card statement etc.) within the last two months

3. NO OUSTANDING PARKING TICKETS

- All parking tickets under registered owners name, must be paid in full.

Note: If a person purchases a new vehicle, they must reapply with all of their residential permit application documentation, and the Parking department will make the request to Hotspot to have the plate transferred. Accounts will not be transferred until confirmation of residential information have been reviewed.

Alternate-Side Restrictions

How does alternate-side parking work?

- From the 1st to the 15th day of each month, parking is allowed on the odd-numbered side of the street.
- From the 16th to the last day of each month, parking is allowed on the even-numbered side of the street.
- Changeover from one side of the street to the other takes place from 6:01 p.m. to 12:00 a.m. on the 15th day and the last day of each month.

South Central Peninsula

In an effort to better manage street cleaning, snow removal and street maintenance in the South/Central Peninsula, alternate side parking is in effect year-round, January 1 to December 31.

Schedule G & G-1 of the Saint John Traffic By-law lists the streets and street sections where alternate-side parking is in effect.

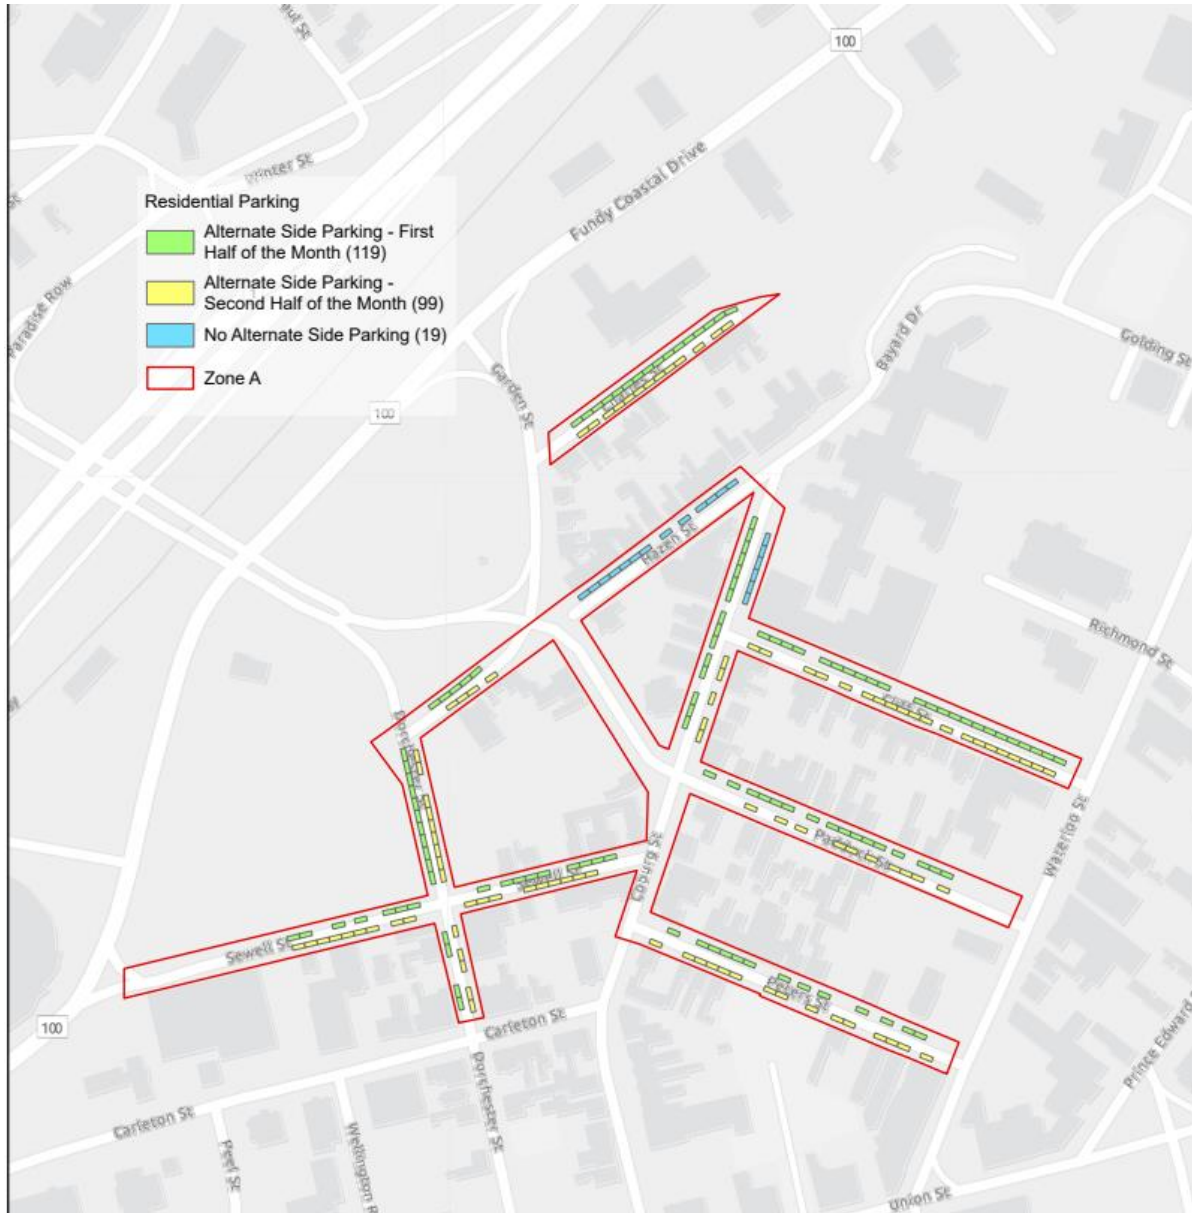

King Street East – Alternate-side parking

For the blocks of King Street East between Carmarthen and Wentworth Streets and Pitt and Crown Streets, alternate-side parking is in effect from December 1 to March 31. Parking is permitted on both sides of the street of these two blocks from April 1 to November 30.

REQUIRED DOCUMENTS FOR TEMPORARY RESIDENTIAL PARKING PERMITS

The Parking Department allows uptown residents to purchase temporary residential parking permits for their visitor (**100km outside Saint John**) or for new residents to the city to provide time to update vehicle registration prior to purchasing an annual residential pass.

The permits are \$12.17 per week X 15% tax = **Total \$14.00**

For two weeks \$24.35 X 15% tax = **Total \$28.00**

Temporary passes can be issued for the following for **up to 2 weeks ONLY**:

Visitor: If an uptown resident has a visitor (**100km outside Saint John**), the visitor may purchase a temporary residential pass. The visitor must show confirmation of their address, or the resident may purchase the temporary pass for visitor.

- Proof of the visitor's address must be shown (ie: registration/drivers' license)

Rentals: If a residential permit holder requires a rental, the Parking department will give consideration for a temporary residential pass by providing proof of a rental agreement and proof of residency.

Options for those that don't qualify for a temporary permit:

- If parking in a residential area the individual may park for free for up to two hours, and move their vehicle in accordance with the Traffic By-law (to a new street) every two hours;
- Pay for parking in areas that have meters that allow parking up to 10 hours;
- Purchase a monthly parking pass (off street lot or parking garage) from the City or seek monthly parking from private lot owners;
- Park for free overnight in any of our off-street City lots.
