

Draggin' Boat Derby

Team Information

We can hardly wait to see our teams in the heat of competition. If you've ever participated in the Dragon Boat Races.....well...good for you, but this is nothing like that!

This is the first event of its kind, so let's try to be as prepared as possible!

Team Registration

We'll make room for all types of teams of six.

- Sports leagues/teams
- Local businesses
- Government and NPO agencies
- Friends and family

Have fun with your Team Name, theme, and even costumes for the day, if you desire.

Fees and Fundraising

As a charity event for PRO Kids, we ask for a minimum registration fee of \$200 for a team of six individuals. However, the whole idea is for teams and individuals to solicit further sponsorship from friends, family, coworkers, local businesses, etc.

The website is set up to accept online donations. This is the preferred method for transactions. If cheques are collected as part of your fundraising efforts, please ensure they are made out to PRO Kids and have the names and mailing addresses of the donors.

Preparing for the Day

All participants must sign a waiver.

Participants must wear sneakers for the race. You may wish to change into sandals in between your races, however, sandals are prohibited to race.

This event takes place in an asphalt parking lot with little shade. Your team of six will be pulling a small wooden boat, using a rope. Competitors and even spectators can make your race more challenging by adding sandbags to your boat - up to an additional 250 lbs!

Consider the following as you prepare to participate:

- Lawn chair
- Sun umbrella/canopy
- Hat
- Sunglasses
- Sunscreen
- Water
- Sneakers
- Sandals
- Sport gloves (if desired for hand protection)
- Knee and elbow protection (if desired)
- Team t-shirts (if desired)
- First aid kit (First aid services will be on site.)
- Hand wipes or sanitizer (Hand-washing stations will be provided inside portable toilets.)
- Noisemakers, pom poms and other cheer items

- **CASH!** There will be food and beverage vendors on site, as well as a 50/50, so be sure to bring cash with you. Debit/credit machines cannot be guaranteed.
